NAME \_\_\_\_\_

## STEP 1: DISCERNMENT.

YOUR INTUITION IS YOUR ANGEL IN DISGUISE, TRUST ITS WARNINGS, FOLLOW ITS GUIDANCE, ALLOW THE PROTECTION TO HAPPEN.

WHAT FEELS WRONG?

## STEP 2: GO TO GOD.

ASKING GOD FOR GUIDANCE CONCERNING THE MATTER.

WHAT DO YOU NEED TO SEE CLEARLY?

Step 3: Waiting. Wait for your revelation. Be patient. Detach from the outcome.

What answer requires letting go?  
What answer requires holding on?

Step 4: Act. God only reveals what you need to know, and when it's revealed, you act.

What was revealed?  
What action will you take?

Step 5: Set Goals. Shift your focus on new goals to accomplish in a different area of life.

A.N.T Goal of Focus?  
B.E.E Goal of Focus?  
How will it feel to accomplish it?

## STEP 6: RECUPERATE.

DO WHAT YOU NEED TO DO TO GET BETTER THROUGH THERAPEUTIC MEANS.

RECOUP METHOD #1  
RECOUP METHOD #2  
RECOUP METHOD #3

## STEP 7: ASK YOURSELF,

"IF I MUST LET THIS GO, WHAT LESSON AM I TO TAKE AWAY FROM THIS?"

THE LESSON I LEARNED IS...  
I MUST APPLY WHEN I NOTICE...
